

Buflex®

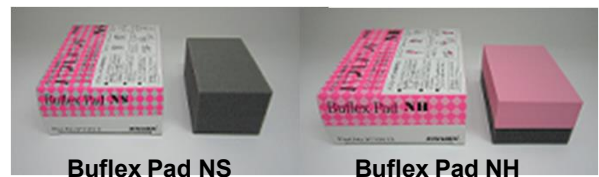

Green

Black (Sheets & Discs)

Beautiful finishes can now be achieved effortlessly in much less time !

Buflex, a unique wet sanding, integrates an ultra-flexible latex abrasive sheet and a specially formulated soft pad that cuts fast with a shallow scratch pattern which is easier to polish than grit 3000 or finer. Due to it's flexibility, Buflex even can polish the inside valleys of orange peel without eliminating the texture. Extremely uniform and shallow scratch pattern are the main reasons why Buflex system can produce beautiful finishes in much less time.

Buflex Pad NS

Buflex Pad NH

(two tone-hard type)

Advantages :

- Reduces Buffing time by 50% or more
- Immaculate Finishes
- Most effective for High Solid/Hard Paint Surface
- Applicable also for quality furniture & instruments
