

Micro-Gun Series

Compact size, maximum flexibility.

MELTON's MK Gun Series requires minimal space for an easy installation. This simple modular design provides optimal configuration flexibility, adapting easily to customer needs. The 15 mm CZ mini-modules supply a perfect, uniform cut-off in the tightest places.

MELTON's MK Micro-Gun Series:

- Minimal space for installation and maintenance
- Sharp cut-off for a clean application
- Easy configuration modular design
- Self-cleaning
- Water resistant
- 100% Compatible spare parts and connections

Narrow and modular profile saves space and allows for fast change-outs.

CZ and AOAC mini-modules ensure a perfect cut-off for a clean application.

Integrated mini-filter retains contaminants and maintains adhesive qualities.

Actual Size

MK Micro-Gun Series

Melton's MK compact dispensing guns are ideal for packaging applications with restricted space. A flexible, simple, and universal modular design allows easy configurations to cover various application needs and is supplied with 100% parts and connection compatibility.
